# Pastor's Message

## THE TURKEY SUPPER: MORE THAN A MEAL

The Turkey Supper was a great success! Although I don't have the final count on revenues, I'm confident that thousands of dollars were raised for the needs of Sacred Heart Church and St. Peter's Mission as well as for the charitable works of Catholic Women's League. More importantly, the event brought together

parishioners from both church communities in show of solidarity for one another. I was amazed by the wonderful turnout and the sheer number of volunteers.

I spoke with people who came from Guelph, Erin, Milton and Georgetown. It was great to see many members of our broader civic and business community, including participants from the Seniors' Program. One guest told me that she has attended many different church suppers over the years and that ours was the best! I attended the Bishop's Dinner hosted by the

Catholic school board this past week and was delighted to hear people talking about our turkey supper. Some even expressed disappointment that they missed it.

I want to thank all of you who worked hard to make it such an enjoyable and down-to-earth event, and I want to thank the many youth of our parish who helped out. I would also like to thank those who did the virtual shopping and donated items, including the raffle prizes. Finally, I want to thank the Catholic Women's League for accepting my request to organize and host this year's Turkey Supper on behalf of the parish.

In particular, I want to thank Julia Whelan, who chaired the organizing committee and worked tirelessly all day Monday. May the CWL carry the Turkey Supper tradition forward for future generations. It is more than a meal. It is an opportunity for us to count our blessings as a parish family.

Thanks be to God. Happy Thanksgiving!
